Miss rapped for oral sex trick outside Jehovah's Witness church

SUSPENDED: Samantha Beresford

A PRIMARY school teacher has been suspended after she got drunk at an end of term bash and pretended to perform ORAL SEX on the steps of a Jehovah's Witness Kingdom Hall.

Samantha Beresford, 51, was out with colleagues from Townhill Community School in Swansea, south Wales, when she got into an alcohol-fuelled row.

Witnesses said the teacher, who later told police she was "eight out of 10 drunk", started swearing, performing mock sex acts and called worshipper Gavin Young a "f**king bastard."

Mrs Beresford, of Sketty, Swansea, grabbed Mr Young by the throat and was later convicted of assault by beating.

A fitness to practice hearing in Cardiff heard Mrs Beresford tried to enter the church in Swansea in July 2016 after downing drinks with fellow school staff.

By NELSON SAUVIN
news@sundaysport.co.uk

Intoxicated

Case presenter Cadi Dewi, said: "Samantha Beresford attempted to enter a Kingdom Hall of Jehovah Witnesses while intoxicated after celebratory drinks at the end of the school term.

"There was then an altercation with a member of the congregation outside the hall, when she refused to leave the premises."

The hearing was told Mrs Beresford wanted to confront her sister-in-law who she had "issues" with on her views about homosexuality.

Church member Mr Young said: "She was shouting when she walked up the path towards me and she was making references to her relative and to her religious views on homosexuality.

Mrs Beresford was convicted of assault by beating at Swansea Magistrates court in 2016.

The teacher, who worked at the school since 1991 and was "well thought of," was fined £600 and ordered to pay £50 in compensation.

Expletives

In a statement Mrs Beresford said: "Against my better judgement I walked towards the hall, shouting expletives believing my relative to be inside. I had more to drink than usual and was tired after a busy term.

"I deeply regret my actions.

"The incident continues to have a devastating effect. I let myself, my family, my friends, and school down badly and I am ashamed and embarrassed.

"It's something I will regret until the day I die."

She was suspended for six months.

IT'S GETTING HOT IN HERE

TODAY will be overcast right across the country with light showers possible in far western parts of Scotland, Wales and Northern Ireland.

After a mild start to the day most areas will feel warm by late afternoon.

Temperatures of 16C in London and in Cardiff, 17C in Manchester, 14C in Belfast and 15C in Edinburgh.

Monday sees similar conditions to the weekend, with longer sunny spells returning to the south east.

Temperatures of 23C in London, 18C in Cardiff, 20C in Manchester, 17C in Belfast and 16C in Edinburgh.

OUTLOOK: Dull but warm.

Flasher pulls chipolata at picnickers

TWO women having a picnic screamed in horror when a NAKED man leapt from the bushes and began furiously masturbating – as they tucked into cocktail sausages.

The pervert struck as the women listened to music and munched on treats at Lawn Woods in the Old Town area of Swindon, Wilts.

Police were called to the scene a short time later, and are now looking for a white male of average build.

MONDAY

HISTORY is made as US President Donald Trump meets with North Korean crackpot Kim Jong-un.

"Many people will think of this as a scene from a science fiction movie," said the dumpy dictator after meeting tubby Trump.

Yep, or maybe a science fiction sequel: *The Blobs*.

TUESDAY

THE Devon town of Colyton is festooned with knickers and bras, in support of a local mum who was told to stop drying her undies in the front yard.

The identity of the complainer remains unknown. However, everyone is trying to gusset. And we reckon they'll soon crack it.

Some people are so smalls-minded.

WEDNESDAY

THERE'S chaos in the Commons as Scottish Nationalist MPs stage a mass walk-out from Parliament over a row with Speaker John Bercow.

It was so funny seeing their grumpy wee faces as they stomped off in a sulk.

If you missed it, you can either catch a repeat online or simply recreate the incident by walking into any pub in Glasgow and putting the World Cup on.

THURSDAY

THE FIFA World Cup gets underway in Russia with a spectacular opening ceremony featuring Robbie Williams singing *Let Me Entertain You.*

Or, as the Russian President Vladimir Putin might put it, Let Me Entrap and Detain You.

The opening match saw the hosts spank Saudi Arabia 5-0, as the Arab nation's defenders really lost their heads. Which, when they get back home, they probably will do.

Perhaps the Saudi coach should have listened to some advice from Robbie in his Take That days: "I want your back four good".

FRIDAY

A FATHERS' rights activist causes a right rumpus on ITV show *Good Morning Britain* by threatening to expose himself to host Kate Garraway.

That stunt would never have worked on Susanna Reid. She sees a knob on that desk every morning.

SATURDAY

WAYNE and Coleen Rooney celebrate their 10th wedding anniversary.

Cynics said their marriage wouldn't last five minutes but we always knew that was wrong – mainly because it would take Wayne at least 10 to sign his name on the papers.

It's traditional to celebrate the 10th anniversary with a gift made from tin. If the next decade is going to be anything like that last, we reckon Wayne should have asked for a hat.

Babe's secret shower video

By BECCA STUBBS
becca@sundaysport.co.uk

FORMER stripper and *Love Island* stunna Megan Hanson Barton is a proper HORNY sort – as this shower video shows!

The blonde bombshell has tons of hidden secret sexy pics and videos of herself.

And we've got exclusive access to this jaw-dropping naked shower clip – which would leave ITV2 bosses flabbergasted.

Megan, 24, stripped completely nude as she soaped up every inch of her eye-popping curves and SHAVEN privates in the steamy film.

She's seen rubbing soap all over her cracking pair and making sure her fanny is squeaky clean.

One of her fans, who pays a monthly fee to see these clips said: "She's worth every penny, I just hope we see-it-going-in on this *Love Island* – I'm not watching it for nowt."

Pin-up babe Megan strutted her stuff into the villa as a late arrival last Sunday, leaving the lads in the villa picking their jaws off the floor.

After dating three blokes of her choice, she's ended up with male model Eyal Booker, 22, and A&E doctor Alex George, 27, fighting over her.

CONFESSIONS: Lusty Laura loves flicking the bean & having wild sex

Laura's kinky kitchen sink fantasy

LOVE Island babe Laura Anderson fantasises about being SHAGGED while she's doing the DISHES!

The horny sex confession comes as things are starting to heat up in the villa between the 29-year-old and her show partner, Wes Nelson, 20.

And, if this saucy revelation is anything to go by, Laura – who uses the glamour modelling name Missy Love – could send temperatures in the ITV2 show through the roof when she gets jiggy.

Talking exclusively to *Sunday Sport*, Laura said: "I'd love to be in the kitchen making a romantic meal for two, when my boyfriend surprises me by coming home early.

Passionate

"He'll come into the kitchen and strip me, leaving only my apron on, before turning me around and shagging me standing up.

"I'd like the sex to be quite rough, with passionate kissing. Then we'll sit down for our meal. While I'm washing up, he'll surprise me again, but this time from behind.

"Handcuffing me to the sink, he'll soap up my breasts with Fairy Liquid. Then he'll go down on me and finish off by bonking me doggy style facing the sink."

By BECCA STUBBS
becca@sundaysport.co.uk

Of course, bonking in the kitchen isn't the extent of Laura' sex antics she's also a dab hand at giving blowjobs!

Her *Love Island* partner Wes is the envy of every hot-blooded male in the country and he'll be extremely lucky when Laura works her magic on him.

She said: "I love giving blowjobs. I think if you like a guy going down on you, then you need to learn to give good head. I've fine-tuned my skills pretty well over the years and I think I give pretty good oral!

'I'm great at blowjobs'

"Well, they usually orgasm pretty quick.

"I crave an orgasm at least twice a day.

"And on the weekends I'll need sex four or five times a day."

THE VOICE OF YOUR BRITAIN

Love Island unites us all in hope

WE live in a nation divided as seldom before.

The 2016 referendum has set Brexiteers against Remainers.

The Tory Party is riven by splits over Europe.

The Labour Party is torn apart by accusations of jewbaiting.

Urban and rural Britain snap and snipe at each other; the young and old may as well be different species.

Rich and poor man opposing barricades.

Even football splits the island of Great Britain – with support for England ending at Hadrian's Wall and Offa's Dyke.

But, thankfully, this summer, we are all united by one thing.

Love Island.

OK, it is not the Ascent of Man or University Challenge.

But it is fun.

And there is precious little fun in public life today.

Love Island also gives us hope.

Hope at a time when hope is in such short supply.

This simple TV programme shows us all that, in modern Britain, even grinning halfwits can achieve fame and fortune.

No wonder millions tune in.

'Hipster' horror for every father

TODAY, across the land, families are saluting their dads thanks to the wholly-created-by-the-greetings-card-industry Father's Day.

And it's a day when we should also remember those dads whose dreams of fatherhood have not gone quite to plan.

Take Frank Marshall.

Frank raised his son John the best he could.

He taught him right from wrong.

He showed him how to fish, wire a plug and ride a bicycle.

And yet, today, John is dead to his father.

Because John "came out" as a hipster.

We live in a society where acceptance and tolerance is expected.

But no parent can be expected to accept or tolerate a son who is openly hipster.

Even parental love has its limits.

Model and actress Kate, 25, succeeds last year's winner Hailey Baldwin to the coveted title.

Previously it's been held by supermodel Stella Maxwell and pop sensation Taylor Swift.

After being told of her victory, Kate told *Maxim*: "I work really hard on myself – on feeling good, working out, being strong.

"Being No.1 on the Hot 100 is a little reward for all the hard work."

Single Nicki won't f**k for money!

GORGEOUS rapper Nicki Minaj says she's happy to be single as she doesn't need to "f**k" for money – or a record deal.

The *Chun Li* star (*above*) told said: "It's the first time in my life I've been single.

"I remember feeling like I could do anything at one time in my life and somewhere along the line, I just started second guessing myself for whatever reason."

Nicki, 35, recently split from fellow rap star Nas.

She added: "Becoming single was one of the things that made me feel strong and powerful.

"The fact that I am a young woman who doesn't need a man for money. I don't need a man for a job. I've never had to f**k for beats. I've never had to f**k for a record deal.

"I don't have those pressures. I get up when I want, shop when I want."

Airing cupboard drunk's jail term

A DRUNKARD has been convicted of trespassing after he broke into a house and fell asleep in the AIRING CUPBOARD!

The female victim told Galway District Court, in the Republic of Ireland, that she came home to find her front door wide open and called police.

While waiting for officers to arrive, she checked the property and found boozy George O'Connor of Lavally, Gort, curled up fast asleep among her neatly-folded clothes and bedding.

O'Connor, 36 – who failed to turn up for the hearing – was also convicted of an assault on a University Hospital Galway doctor back in November last year.

District Court Judge Mary Fahy handed down the maximum penalty of six months imprisonment and issued a bench warrant for O'Connor's arrest.

JOHN CHOOSES FATHER'S DAY TO BREAK DEVASTATING NEWS...

Sorry Dad, but it's time I came out...I'm a HIPSTER

TODAY, Father's Day, will forever hold unbearable memories for dad Frank Marshall.

For on Father's Day two years ago, his son John dropped the shittiest of bombshells by declaring: "Dad, I'm a hipster!"

Speaking at his tidy bungalow in Poole, Dorset, widowed Frank said: "You hear about other kids telling their parents they're hipster and you think you yourself, 'If that happened to me, I'm sure I'd still love them and accept what they are'.

"The reality is much harder, though. You question yourself and think, 'If we'd done things differently, maybe John would have turned out normal'.

HAPPIER TIMES: Frank with John when he was 'normal'

Suspicions

"I'm just glad my wife June didn't live to see it. It would have broken her heart."

John was 26 when he came out to Frank.

Frank recalled: "He'd always been such a normal lad but then we started having suspicions. He grew a beard and curled up the end of his moustache.

"We once found some Penny Farthing magazines under his bed and he'd come home reeking of elderflower and apricot craft ale.

"It was only after June passed away that he turned really

hipster – occasionally wearing a top hat with a lumberjack shirt and asking for pumpkin seeds with his fish fingers.

"I confronted him and he admitted it. It was like a physical blow."

Frank added: "My late wife and I always dreamed of having grandchildren but I feel that dream has been snatched away from us.

"Now, if John meets a 'partner' who is equally hipster, any child resulting from that union will be called Isambard or Eustace or something equally preposterous.

"It's not right, raising a child like that. Besides, it'll probably turn into a right little c**t, too.

"Today may be Father's Day but I'm not a father any more. That boy is dead to me."

Last night John was unavailable for comment as he was at a Mumford and Sons Appreciation Society steam rally.

Wed firm's con trick is Shameless

A WEDDING company that promised happy couples a "divine Chatsworth experience" on their big day used a photo of stately home Chatsworth House in their online advertising.

But brides were left devastated when, after paying a hefty £200 deposit, they were told their wedding would be held in Manchester's rough Gorton district – setting for the Chatsworth estate in C4 comedy drama *Shameless*.

Bride-to-be Nicola Phillips of Sandbach, Cheshire, who fell for the scam, said: "It looked true. Our dream wedding in Chatsworth House in Derbyshire.

"I paid my deposit and only then was told the actual wedding would be held in an old social club in Gorton.

"I loved *Shameless* but there's no way I'd like Frank Gallagher (*above*) at my wedding."

A spokesman for Very Good Yes Happy Wedding Day Company last night said: "We have followed the letter of the law. Deposit not refundable. End of."

MUM AND SONS: Sally with the little lookalike shits

'They're both proper little c*nts!' – SAYS MUM

By BARNEY SAMUELS
news@sundaysport.co.uk

THE world looked on aghast last week as Donald Trump met with North Korean dictator Kim Jong-un.

In their historic meet, the leaders agreed to move towards ending strife on the Korean peninsula – something that's eluded statesmen since the Korean War ended in 1953.

While some said it was a miracle, others said Yank boss Trump had made too many concessions and had demeaned the presidency.

Peace

All mum Sally Francis knows is that somehow, the leaders' Singapore summit has led to peace breaking out in HER HOUSE.

For her seven-year-old identical twins Jim and Tom – who both have a look of Kim Jong-un – have stopped fighting and bickering for

"Talk about terrible twos! They've been at each other more or less from the moment they could crawl.

"Their dad couldn't stand it and f**ked off when they were three.

"I don't blame him really. I've taken to the gin in a big way, just to get to sleep at night.

"But then they sat watching Trump and Kim Jong-un at their meeting in Singapore and something quite amazing happened. It took a while for it to sink in, and then it hit me what it was...

"Silence.

"It had been so long since I'd experienced it.

"I've no idea why but somehow, watching the news about the summit meeting made them 'friends'. It's a f**king miracle, I can tell you!

"I'm going to write to President Trump to thank him for what he's done. F**k! I'm so grateful he can come round and grab me by the pussy whenever he f**king likes."

Nuclear

The Singapore summit, which aimed to reduced tension in the Far East, has had a mixed response.

While the president has drawn praise for agreeing to a summit with Mr Kim – with the aim of dismantling North Korea's nuclear arsenal – he has also faced criticism for failing to challenge a North Korean regime that's among the world's most repressive.

Asked about meeting with a leader who is "clearly executing his people", Mr Trump lauded Mr Kim as a "tough guy" who had demonstrated his prowess by inheriting power as a young man.

"Hey, when you take over a country – tough country, tough people – and you take it over from your father, I don't care who you are, what you are, how much of an advantage you have – if you could do that at 27 years old, I mean, that's one in 10,000 that could do that."

Mr Trump has also called those who have criticised the meeting "haters".

ADULT star Stormy Daniels has become a FEMINIST hero, thanks to her battle with Yank President Donald Trump.

Daniels, 39, claims she shagged Trump in 2006 and was paid hush money ahead of his election in 2016.

Stormy, real name Stephanie Clifford, is on a nationwide tour of strip clubs on the back of the publicity surrounding the case – and members of the hairy-legged brigade are flocking to see her.

Feminist Linda Nelson, 70, who had never entered a strip club before Daniels' full-nude performance in Madison, Wisconsin, said: "Look what she's doing for women in this country. She's suing our president. What could be stronger than that?"

Jennifer Gramer, 30, of Madison, who came to the club with members of her feminist book club, added: "I want to tell my kids and grandkids I saw Stormy Daniels. If she's the person who brings down the president then for $15 a ticket, why not?"

Daniels said of the women who call her an inspiration: "It's a lot of fking pressure.**

Stuffy parents who spotted the cheeky "pin-up" style snaps of 26-year-old Viktoria Popova hit the roof and demanded education authorities act.

School chiefs in Omsk, Russia, said that Viktoria (*above*) had caused "irreversible damage to the reputation of their teachers by spreading frivolous images on the internet. She also hurt the image of the school."

They said she had broken conduct codes at Omsk school Number 7 and gave her the boot.

Viktoria – who now is working for a news agency – said: "I do not understand why I am blamed. I wasn't posing in underwear or stockings."

Russians, though often cruel and coarse and happy to commit unspeakable criminal acts, are surprisingly prudish – thanks to the influence of their repressive government and their big-hatted Orthodox bishops.

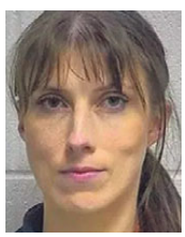
Ballet school owners' '3-way with student'



THE married owners of a ballet school are accused of luring a 17-year-old female student into a threesome and sexually assaulting her.

Declan McAuley, 54, and Ariadne McAuley, 35, are accused of engaging in sex acts with the victim – who was also a student at the school – on at least seven occasions and having sex with each other in the presence of the victim.

The alleged crimes were discovered after the victim was interviewed by cops.

Police say they found nude pictures of the victim on Declan McAuley's phone when they confronted him.

The McAuleys are each charged with first-degree sexual abuse and first-degree engaging in an unlawful transaction with a minor.

They own the Fleur-De-Lis Ballet Academy in Louisville, Kentucky.

Flower bed nude nutter locked up

A WOMAN who sat naked in a flowerbed outside a hospital claiming she "wanted to become one with Mother Earth" has been hauled off to the nuthouse.

Cops were called by staff from Pikeville Medical Center who were concerned about the welfare of Bridgett Mullins, 44 (*above*), who took off her clothes and then squatted in the flowers.

After refusing several requests to put on her clothes or else be arrested, officers then tried to cuff Mullins, of Ashcamp, Kentucky, when she allegedly became combative – knocking two officers out of the flowerbed and onto the pavement.

It required both cops and two hospital security guards to restrain Mullins.

She was not found to be under the influence of any drugs so has been carted away to the loony bin.

Erect burglar in rake attack

A NAKED man wandered into a home sporting a "huge" erection and twatted the householder with a RAKE.

Maurice Castaneda, 36 (*above*), got past a closed gate in the backyard, strolled through an unlocked door, and began yelling at the family inside.

When the father of the house tried to throw Castaneda out, the loon ran outside and returned with a garden rake which he then used to attack the homeowner.

Castaneda fled when the householder got his gun out.

Police with dogs found him minutes later, still naked – though by this time flaccid.

Castanedo was charged with burglary, public nudity and aggravated battery.

A SEXY teacher called Miss SPRINKLES has been sacked after shagging a pupil and sending him a video of her URINATING!

Aptly-named Kayla Sprinkles, 26, faces sexual assault charges and accusations of exposing a minor to pornography.

In March, investigators began looking into reports that the Social Sciences teacher had engaged in sex acts with a student while working in the Cherokee County Schools System.

The sheriff's office said multiple students were interviewed and one admitted he'd shagged the teacher.

He also showed them several "explicit" videos of her masturbating and urinating.

Blonde Sprinkles, of Hayesville, North Carolina, is expected to appear in Cherokee County Superior Court next month.

Mature

A spokesman for the local school district said: "Our youth and our students are one of the greatest resources that Cherokee County is blessed to have.

"It is incumbent upon all of us to ensure their safety and wellbeing as they grow and mature."

One dad, who has a child at the school where Sprinkles taught, told local reporters: "Hell, if Miss Sprinkles had sent me a video of her making tinkle, I would have fallen to my knees and praised the sweet Lord Almighty, yessir, I would!"

Sex club bomb plot foiled

AN Islamic State plot to kill dozens of sex people in a bomb attack on a SWINGERS' club has been thwarted by police.

A 38-year-old "radicalised convert" to Islam, was arrested in the Indre region of France and charged with "associating with terrorist criminals" and preparing an act of terrorism", a judicial source in Châteauroux said.

The police spokesman also confirmed an improvised explosive device was found at the nutter's home and that he admitted he wanted to use it to target a local swingers' club.

Shagging teens at 27-year low

FEWER teens are having sex than at any point since 1991, a national survey of has found.

But, worryingly, those who *are* shagging are spurning nodders.

About 40 per cent of teens surveyed in 2017 reported having ever had sex. That's down from about 54 per cent in 1991, the first year the survey was conducted.

Of the roughly 29 per cent of students who are currently sexually active – defined as having had sexual intercourse with at least one person in the three months before the survey – nearly 54 per cent reported that either they or their partner used a condom the last time they had had sex.

Ten years ago, about 61 per cent of teens reported condom use.

SHE'S A MILF: Jenny Farrow

It's time to sign the words 'suck the cock'

THE REAL DEAL: Justin Fletcher as Mr Tumble

MY NAKED FUMBLE WITH MR TUMBLE!

SUNDAY SPORT COURT EXCLUSIVE

By PENNY MARSHALL

MILF drunkenly sucked him off at party in front of shocked onlookers

A TIPSY mum who sucked off a man dressed as kids' telly fave Mr Tumble at a party, posed NAKED on an amateur porn site.

Last week sex-mad Jenny Farrow, 36, was fined £100 after admitting causing a breach of the peace by sucking off "Mr Tumble".

It led to a fracas that spilled into the street at her home in the Small Heath area of Birmingham.

Magistrates heard private nurse Farrow "frequently" held parties at her terraced home and that police had been called several times before.

But it was her act of fellatio on "Mr Tumble" – aka Farrow's pal Michael Smith – that led to her court appearance.

Naturally enough, Mr Smith's wife Gloria took exception at Farrow's antics and a scuffle had ensued.

Stripped

Magistrates were told that when officers arrived, Farrow – who had stripped off her own Wonder Woman costume – was "intoxicated and unruly" and repeatedly yelled: "I can suck any cock in Small Heath if I want."

In addition to the fine, Farrow was ordered to pay £150 court costs and banned from holding parties at her home for the next two years.

Her naked photos – posted on a porn site last year – show Farrow in her kitchen with her legs open and her shaved private parts clearly on display.

A former friend, who asked not to be named for fear of reprisals, told *Sunday Sport*: "Jenny loves being naked and she loves sucking cock. I'm just surprised she's not got in trouble before now."

Last night Farrow said: "I want to put the court case behind me."

She added, unconvincingly: "By the way, those photos are not even me. This is fake news!"

Michael Smith was unavailable for comment last night.

Earlier this month, it was reported that mums and dads had FOUGHT to get the best seats to watch the real Mr Tumble, aka actor Justin Fletcher, at a Butlin's resort in Bognor Regis.

Loaded gun up minge woman is jailed

A WOMAN who was found with a loaded handgun hidden in her MINGE during a routine traffic stop has been sentenced to two years behind bars.

Anika Witt, 27 (*left*), pleaded guilty to weapons possession and drugs charges back in April.

A court heard the serial criminal and her co-defendant, Clinton McDonald, 29, were taken in by cops after being stopped on Interstate 55 near Bloomington, Illinois, in September last year.

Heroin was found stuffed in her bra and ecstasy was also found in the vehicle.

During a strip search, Witt's .380 calibre Kimber handgun dropped out of her vagina with what officers described as "an audible plop".

And police were horrified to find the weapon – which is 5.6 inches long and weighs 13.4 ounces – was LOADED!

Witt struck a plea deal that required her to testify against her co-defendant.

She has been in jail since September and will be credited for the eight months she has spent in McLean Co prison.

Witt had faced up to 25 years in prison – 10 for the firearm and 15 for possession of Class A drugs, but will now be released in September next year.

Viz TOP TIPS

LIKE *Sunday Sport*, *Viz* Top Tips are a national institution.

And in this weekly feature, we bring you some of the very best from over the years…

GOLFERS. Don't waste a fortune on expensive covers for the heads of your woods and driver. An empty crisp packet does the job. Just use different flavours for the different clubs.

A. Simmons, Cheltenham

TAKE your dustbin to the supermarket with you so you can see which items you've recently run out of.

S. Elliott, east London

WHEN speaking on the telephone to someone in America, always start a couple of seconds before they finish their sentence. This will avoid annoying pauses due to transatlantic time delays.

Doug Glugg, Dundee

IGNORE advice to leave a light on at home when you go out, in case of burglars. If anyone is heartless enough to break into your home they should be left to find light switches themselves. Making things easier for them will only encourage them to commit more crime.

Hilda Pugh, Carlisle

FOOL people into thinking you are an octopus by drinking several litres of ink and farting every time someone starties you.

Mr Spunk, Halifax

WHISKY rubbed regularly into woodworm-ridden furniture will make the worms too drunk to reproduce.

Norman Hunt, Belfast

WHEN buying fruit by the pound, buy grapes instead of apples. Apples are heavier.

Edna Thompson, Bishopsgate

SHAPE iron filings into dog turds. When flies eat it they will be too heavy to take off and can easily be caught with a magnet.

Paul Kelly, Wimbledon

AVOID losing contact lenses by drilling a small hole in each one and connecting them with a length of fishing line. This can then be worn around the neck.

Bob Morgan, Criccieth

A LENGTH of drainpipe with a roller skate fastened to each end makes an ideal 'car' for a snake.

Lily Hall, Morpeth

MEN. Make women think you're a great lover by cutting scratches into your back with a fork before walking shirtless along the beach.

Les Washington, Camberley

BELL ringers. Don't waste time raising money to save your local church's bells. Get the same teeth-grating effect by dropping different lengths of scaffolding pipe off the church roof at 8 o'clock every Sunday morning.

JOSIE CUNNINGHAM

SIMONE REED

FANNY flash and a see-through bit of titage, *Big Brother*'s Simone, 29, left nothing to the imagination after her curbside trip.

LAUREN POPE

Foot pervert 'milks' toes of VR victim

A WORKER manning a kiosk where punters can experience virtual reality was nicked after "milking" a woman's toes while she wore a high-tech VR helmet.

The victim said Semih Orge, 31, began rubbing and stroking her feet like "someone with a foot fetish" after she put the headset on at a shopping centre in Natick, Massachusetts.

The victim claimed he then pulled her toes in a sexual manner – like he was trying to "milk" them.

When cops arrived, Orge, from nearby Framingham, claimed that he had patted the victim's leg and skirt because he wanted to warn her somebody else might be able to see up her clothing.

He also said the feet touching was part of the overall virtual reality experience.

Orge was arrested and has been charged with indecent assault and battery.

Plug pulled on tranny baths

AN open-air swimming baths that scrapped gender-separate areas to encourage transgender bathers, has resulted in men flocking to the pool to gawp at nuddy women.

The programme, called 'Queer Kallis', is held on the first Monday of the month at the Ribersborgs kallbadhus, an open-air baths in Malmö, Sweden.

Organisers found very few transgender people made use of the event, but males used it as an excuse to enter women's showers, changing rooms and their toilets.

University lecturer Jeanette Larsson said: "The place was invaded by men. Everything felt incredibly unpleasant."

While Larsson did note some transgender folk present, she remarked that they were "stared at and mocked" by some of the male visitors.

Space aliens turned my wife into a TOFFEE CRISP

MISSING: Ray's wife Eileen

GUTTED: Ray with his wife after aliens struck

SUNDAY SPORT EXCLUSIVE
By SIMON DEAN
simon@sundaysport.co.uk

ANGUISHED Ray Peters says he's at his wits' end after space aliens zapped his missus with a powerful astro-ray – which turned her into a TOFFEE CRISP!

Ray, who insists there were "no problems" in his 20-year marriage to Eileen, said he came home on Thursday night to find his wife missing and a mysterious Toffee Crisp on the kitchen floor of their £2million five-bedroom house.

The 62-year-old former security firm manager, from Brentwood, Essex, said: "Eileen hates Toffee Crisps and so do I. There is no way there would have been one in our house.

"Then it struck me. There have been some weird lights over our house just recently. UFOs, most probably.

"It all makes perfect sense. Eileen's been turned into a Toffee Crisp by some aliens and a special ray gun."

Blowback

Former boxing club owner Ray said he worked into the early hours of Friday scrubbing the kitchen floor in case there was any space contamination left by the moonmen.

The ex-scrap dealer said: "I was also forced to roll up the hall carpet and throw it in the sea, just in case there was radioactive blowback from their UFO.

"So if there's any CCTV of me chucking a rolled-up rug into the sea in Hadleigh, that explains that."

Former freelance lender Ray said: "We're due to fly out on holiday to Gran Canaria for a fortnight. I would hardly have booked a holiday if I'd been planning to kill her, would I?

"Not that anyone's mentioned her being killed. She's been turned into a Toffee Crisp by space aliens. Yes."

A source at Toffee Crisp makers Nestle said: "We've not got time for bollocks like this."

GEORDIE SHORE HITS BOTTOM!

GEORDIE Shore **fans are claiming the raucous reality show has gone too far, with some even stunned to hear it is still on the air while others branded its stars 'childish'.**

After Tuesday night's episode, fans of the MTV series – which began in 2011 – took to Twitter to slam the show's vulgarity as Chloe Ferry flashed her bare bum while enjoying a racy night with boyfriend Sam Gowland.

With Sam enjoying the seductive performance, he also got a closer look at the blonde beauty's cleavage.

And the pair also put on an endless snogging session on a night out with their Newcastle pals.

Geordie Shore fans are accustomed to such graphic scenes in every episode, but it seems this week's show had gone a step too far.

Viewers took to Twitter to brand the show all things from 'childish' to just plain hilarious. One wrote: 'What has happened to Geordie Shore!? I used to love it... its gone down hill.'

Another added: 'Have I really lost my sense of humour? Is it just me who struggles to find what's so funny about most of the stuff these people do. They're so bloody childish.'

A third was even shocked to discover the series was still on TV, tweeting: 'Is Geordie Shore still a thing?'

MEET JANET, 59, A SELF-CONFESSE

Once I'd experienced I never looked back

HOT STUFFING: Sex-hungry Janet can't get enough of the stamina and spunk of fit lads

AN EXCLUSIVE SERIES OF SPECIAL INVESTIGATIONS

By BECCA STUBBS becca@sundaysport.co.uk

FORGET knitting and wiling away the hours watching *Rosemary & Thyme* – older women are spending their days HUNTING for younger COCK.

Janet Burns, 59, is a self-confessed cougar – a woman who can't get enough of shagging men years her junior.

And she's not alone, more than 15 per cent of divorcées are turning to the younger generation to satisfy them between the sheets and to leave them refreshed and revitalised.

For Janet, her cougar journey started when her husband Bill, 65, left her after they "grew apart".

Although initially she was heartbroken, Janet soon got back in the saddle.

She said: "Once I'd experienced young cock I never looked back. My husband Bill left me in 2016 and, to be honest, it's the best thing he ever did for me.

"At first, I was devastated. We'd been married for 30 years, which is a bloody long time. I didn't want to mope about so started socialising with the girls a bit more.

Flow

"But every time we went out, they'd always try and match me up with their friends. I didn't want a man my own age. All the grey hair and beer bellies just didn't do it for me.

"I craved something else, something new. So when a younger group of girls at my workplace asked me to go out one night, I jumped at the chance.

"They were all in their thirties but I loved gossiping and drinking with them, and when a group of fellas started paying us attention, I could feel the juices starting to flow again.

"One of the group, Martin, was tall, dark and handsome and spent hours talking and flirting with me.

"Although the chat was nice, I knew as soon as I laid eyes on him that I wanted to have sex with him that night."

After seven months of being single, Janet was only too glad to get Martin, 25, into her bed that night.

The rigorous romp with the fit and youthful hunk left Janet yearning for more and she vowed to turn her back completely on men her own age.

Janet said: "If I'd ever been shagged like that before I don't remember it. Martin was throwing me around the bed and putting me in all sorts of amazing positions.

Spurting

"It was absolutely sensational and I think I ended up having three orgasms. I came more that night than I had for years.

"Since that night, I've had plenty more like it. The youngest lad I've shagged was 23. He couldn't stop spurting jizz and he went like a train. As soon as one load was out, he was ready to go again.

"That was quite the night. I was worn out but I'd never been pleasured like that in my life. I think I've bonked around 20 younger blokes now and they've all given me a real seeing-to."

Two years after Bill left her, Janet has just returned from a holiday in Tenerife, where she went alone with one intention in mind.

Jam-packed full of young studs, she went to the sun-soaked island to unleash her cougar and devour the young cock.

She said: "Tenerife was amazing. I had my first threesome too – with two lads who were out there celebrating

their birthdays. I'd long ago given up sucking Bill's cock, but when those two whipped out their dicks, well really, I just couldn't get down on them fast enough.

"I had both of them in my mouth and sucked them both to completion. Their cum went everywhere – in my mouth, on my face, on my tits...it was proper kinky stuff.

Spunk

"Then they threw me on the bed and took turns f**king me until we were all spent. There was cum everywhere and it was like all my Christmases had come at once.

"I'll tell you what, that bastard husband leaving me was the best thing that ever happened.

"Now I'm a fit, hot cougar and young fellas full of spunk can't wait to shag me. I can't get enough of it."

STRANGERS AT FESTIVALS

TIT'S NOT ON: Babes bare their boobies at Facebook head office

facebook HIT BY BARE NIP PROTEST

By SIMON DEAN
simon@sundaysport.co.uk

A GROUP of topless women picketed a Facebook HQ after the social media giant deleted pics of a previous rally which showed bare NIPPLES!

Women from the Fire Femi Action group, some wearing masks and shades, lined up at Facebook's head office in the upmarket Gangnam District of the South Korean capital, Seoul.

They held banners reading: "Why do you delete posts in which I willingly showed my breasts?" and "Free me from what is virtually a modern corset."

The demonstrators had slogans written on their bodies saying: "My body is not pornographic material." Others were heard shouting "Free the nipple".

After the women bared themselves, cops at the scene attempted to cover them with blankets.

The protests came in response to Facebook suspending the account and deleting photos of topless women taken in May at a Fire Femi Action festival.

Facebook Korea later restored the photos and apologised, saying "photographs that show much of a bare body are automatically deleted by the algorithm."

10 things you might not know about LOVE ISLAND

REALITY TV hit *Love Island* has captured the nation once again, with a record-breaking FIVE MILLION tuning in to the launch of the new series.

With scorching hot woman and toned hunks snogging, shagging and sunbathing in their smalls – it's hardly surprising the ITV2 show is a stonking hit.

The fourth series kicked off last Monday and is expected to last a riveting eight weeks.

To celebrate the return of the popular dating show, here's 10 things you might not know about Britain's most famous villa…

1 **SEVENTY cameras are dotted around the Love Island villa to make sure they don't miss a moment of the action – there's even one underwater!**

2 THE villa is stocked with 200 *Love Island* branded condoms for shagging sessions between the Islanders and they've all had to have a full STI test before going in and getting jiggy.

3 **WHEN the Islanders leave the villa to go on dates, they have to travel in separate taxis to make sure the cameras don't miss any naughty back seat action.**

4 ALL Islanders are given a phone which is programmed only to communicate with the other contestants and not the outside world.

5 **OVER 150,000 people applied for this year's series of the show, and the producers still cast late entry contestants until the very end of the series.**

6 FOR super-rich *Love Island* fans, the luxury villa can be rented out for around £3,000 a week – it's in Saint Llorenc des Cardassar in Majorca.

7 **EVICTIONS often happen at 3am in the morning, giving the public time to vote and the editors chance to film it for the following day's show.**

8 ALL the plants, grass and flowers that are shown in the villa are all fake and there are no clocks anywhere in the house.

9 **THE Islanders get paid for appearing on the show, they all get £200-per-week.**

10 THERE'S a private toilet that Islanders can request to use if they're too embarrassed to do a shit in the main loo.

ENGLAND fans travelling to support their team in Russia will find a very nice surprise waiting for them…

Women. Lots of them!

There are 11 million fewer men than women in the vast country and with the vast majority of Russian blokes too drunk to perform, that's a lot of frustrated Svetlanas.

And despite the typical Russian woman being seen as a scarf-wearing babushka with hairy arms like donkey's legs, in reality Russian women are GORGEOUS!

One man who knows that better than most is Russian erotic photographer Mikhail Paramonov.

Jail for perv whose nose was eaten by dog he sucked off

HOW DOES HE SMELL? Joshua Box

A PERVERT who had his nose bitten off while trying to suck off a PIT BULL bitch is heading back to jail after he was found with vile animal porn on his computer.

Disgusting Joshua Box, 35, from Fayetteville, Arkansas, suffered life changing injuries in 2007 when he tried to film himself performing the sex act on the fierce hound.

After his release from hospital, Box was convicted of animal abuse and manufacturing animal porn and caged for two years.

Extreme

But Box has clearly not learned his animal filth lesson, as last week he was nicked for possession of extreme pornography.

According to prosecution sources in Arkansas, Box's gut-wrenching collection included pictures of men having sex with dogs, cats, goats, horses – and even an OCTOPUS.

He was later also charged with possessing material involving the sexual exploitation of a minor.

Box told authorities he'd been downloading indecent material from the time he was just 15.

A police source said: "You would have thought that after this gentleman's previous conduct led to his permanent disfigurement he might have said to himself, 'Boy, ungodly entanglements with the beasts just ain't for me – just like my Scripture told me.'

"But no sir. Hell, the Good Lord Almighty done already delivered his wrath on Box for his wickedness.

"Now it's the turn of the great state of Arkansas to take a turn.

"If I had my way, that deviate would never again snuffle free air through those mangled mouthparts of his.

"No siree!"

Box currently faces up to 15 years in jail.

OAP took sex pill for public w*nk spree

AN OAP serial wanker told cops he took VIAGRA to get a stiffy so victims "wouldn't get a limp show" when he tossed off in public.

Mark Holshouser, 78, of Edwardsville, Illinois, was caught in bushes behind a bus stop with his trousers around his ankles.

And he admitted terrorising the town with his public tugging for the last 18 months.

He is up in court later this week.

Cop who shared BJ film is spared nick

A COP who filmed a female colleague sucking him off at the Policeman's Ball then shared the footage on social media, has dodged jail.

Timothy Michael Patterson, 28, secretly filmed the sex act during the event at the Harbour View Hotel in Sydney, Australia, in July last year and shared the footage on a Snapchat group called "No Snitches".

The female colleague reported him when she found out and Patterson was hauled off to court.

He was found guilty of filming the woman in a private act without her consent and of using a carriage service to menace, harass or offend.

Patterson got off with probation. It's not clear whether he's still a cop.

'Diversity' idiots are new Nazis

CAN there be a more dispiriting word than "diversity"?

It seems this unbending cult is everywhere, spreading its dogma like a pox-ridden dockside whore spreads cockrot.

The world of publishing, being full of leftards to begin with, has proved particularly susceptible to the contagion.

One of publishing's biggest, Penguin Random House, recently announced new measures to "further inclusively and diversity among their writers".

Their website states they will be "taking into account ethnicity, gender, sexuality, social mobility and disability".

Strange, not a f**king word on their ability to write.

The writer Lionel Shriver, who, despite the name, is a woman, has taken PRH to task over this descent into political correctness.

In *The Spectator* magazine, one of the last bastions of common sense, Shriver accused PRH of being "drunk on virtue".

She added: "Literary excellence will be secondary to ticking those ethnicity, gender, disability, sexual preference and crap-education boxes.

"We can infer from that email if an agent submits a manuscript written by a gay transgender Caribbean who dropped out of school at seven and powers around town on a mobility scooter, it'll be published, whether or not said manuscript is an incoherent, tedious, meandering, insensible pile of recycling."

Ex-f**king-actly!

Publishers are in the business of producing books, not social c**ting engineering.

This box ticking to "represent" various "excluded" minorities is patronising, self-defeating and just plain irritating.

Equality

For generations, brave people have fought discrimination. They have demanded to be judged on what they do, not what they are or where they're from.

"Diversity" undermines that noble battle for equality.

It makes you all about what you are, or where you are from.

So-called "positive discrimination" is still discrimination. It undermines natural justice and fairness, just as much as racism or sexism.

Under this lunacy, anyone from a racial minority, or who is disabled or who is a woman, reaching the top will face accusations of: "You only got there because…"

"Diversity" demeans us all by devaluing talent and ability. Its zealous enforcers are inflexible, unthinking automatons, who will not tolerate any dissent.

As Lionel Shriver has seen.

She's been sacked from the judging panel of some literary award because her comments are, "not consistent with their ethos and mission".

No doubt the high priests of diversity think they are right and are convinced they are working for the higher good.

That's the excuse used by every bloodthirsty tyranny in history.

Including the Nazis.

Sharon's having 'quiet' a time!

A NICE quiet girls' holiday – that's what Sharon Price promised hubby Steve when she booked a trip with four pals to Majorca.

But from the look of this snap, sent to Steve at home in Preston last week, 28-year-old Sharon (she's the one in the middle) has a flexible definition of "quiet".

Steve joked: "It looks like they're enjoying themselves. But who's taking the picture? Some snake-hipped greasy Spaniard, I'll bet. Bah!

"We'll be having words when Sharon gets home next week. Oh yes."

FINGERED BEING FINGERED AT THE FISH SHOP

BOOZY GRAPPLE: But Tamara didn't know who with

RANDY Tamara Johnson was left carrying the can after a bloke FINGERED her in the fish shop – then fled when cops arrived.

COURT EXCLUSIVE By PENNY MARSHALL

Tamara, 28, was waiting for a fishcake, half-chips, half-curry at her local takeaway when a smooth-talking stranger chatted her up and helped himself to some haddock pasty.

However, the display did not go down well with staff at the Nottingham takeaway – which can't be named for legal reasons – who called police.

Drink

As officers pulled up, Tamara's ungallant beau fled the scene – leaving her alone to carry the can.

The nursery nurse, from Nottingham, admitted a charge of outraging public decency when she appeared before magistrates.

Defending her, Lionel Cairns said: "My client was far into drink at the time of the offence, to which she admitted at the first opportunity.

"She has, unfortunately, no idea who her gentleman companion was.

"She had never seen him before, nor has she seen him since. I ask the bench to consider this when deciding a sentence."

Magistrates adjourned the case until next week for reports.

Outside court, a clearly distraught Tamara told reporters: "It's not fair that I'm taking all the rap for this.

"That bastard what fingered me should have been in the dock too.

"If I knew who he was, I'd tell the coppers.

"But I don't."

Public tosser breaks nose in Sinatra park cop chase

A PUBLIC masturbator suffered a broken nose when he tried to flee from police officers – with his pants still around his ankles.

Cops were called after Lee Albert, 68, was spotted masturbating in a park in Frank Sinatra's home town, Hoboken in New Jersey.

Multiple witnesses told the officers that they had seen the man "with his pants down to his knees masturbating near a fountain in view of the public," authorities said.

When officers found Albert, he tried to flee, but with his trousers still down, he fell flat on his snotter.

After being patched up at hospital, he was charged with indecent behaviour and evasion of arrest.

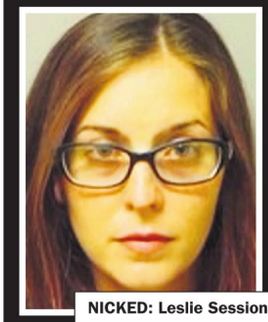
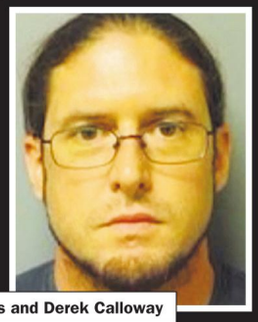
COUPLE FACE JAIL FOR PORN MOVIE IN DIY STORE





NICKED: Leslie Sessions and Derek Calloway

PANTIES: Sessions shows off her undies in store

A KINKY couple who made a PORN MOVIE in a DIY store face PRISON after they were sent to trial for indecency.

Derek W. Calloway filmed Leslie Lanae Sessions playing with her moist minge in the car park of a Home Depot branch in Jonesboro, Arkansas, US.

Home Deport is the Yank version of B&Q.

In the video – which is still freely available on the Pornhub grot-sharing site – Sessions can be seen snaking her fingers into her blue panties and massaging her vagina in the store car park.

The action them moves inside where Sessions fiddles with her wet slot while DIY fans shop for tiles, nails and paint just YARDS away.

Fingers

In another part of the video, Calloway films the brunette while she fingers herself at a restaurant table.

And another saucy segment is filmed at a kids' playground.

The couple each face three counts of public display of hardcore sexual conduct, three of sale, possession, or distribution of obscene film and three counts of promoting obscene performance.

Local cops arrested the pair last July after they were told that Sessions was performing lewd sexual acts in public while Calloway recorded them.

Sessions' performs using the screen name 'Mayvendoll' and has her own channel on PornHub.

In court documents, Calloway reported that he received £750 each month for "adult films".

If convicted when they face trial in September, each faces up to five years in jail.

FIRST SEX

NATASHA: I was pretty wild when I was younger and lost my cherry during a three-some when I was 19 at a friend's party.

Her parents were away and she'd invited a load of people from college. I really fancied this bloke in her English class and after downing several shots of vodka I just walked up to him and started snogging him.

About five minutes later he dragged me upstairs to one of the bedrooms. We were going for it on the bed and, before I knew it, he had his todger out.

I was so horny by that point and I guided him inside me. We were so busy shagging that I didn't notice someone else was in the room – his best pal.

At first I was shocked, but then I saw how turned on he was and asked if he wanted to join in. But I didn't expect him to say yes.

Before I knew it he had his pants down and I was giving him a gobble.

I didn't have sex with him, he only lasted a couple of minutes before he exploded in my mouth.

EMMA: My first time was really boring, with my boyfriend at his mum's house.

I was so nervous and convinced that someone was going to catch us at it that I didn't even cum. What a disappointment.

To be honest, I was just glad to get it over with.

My fella came and he was really sweet, telling me I was fantastic.

The next day he gave me loads of oral sex to compensate for not climaxing.

FIRST BLOWJOB

NATASHA: I was out shopping with a mate when I saw this really fit guy getting out of a car. I mean, he was gorgeous.

So I wrote a note and left it on his windscreen telling him to call me – and he did!

We arranged to meet a few nights later at the local. I didn't think he'd show up, so I took a couple of mates along, but he was already there when we arrived.

We clicked straight away and by the end of the night we were all over each other.

He wasn't drinking and offered to drive me home. He pulled up round the corner from my parents' house and we started kissing.

My hand accidentally touched his crotch and I could feel he was really hard. It was a really spur of the moment thing, but I undid his trousers and started sucking him off.

He was a bit surprised, but definitely liked it, and he called me the next day. We went out for a few months after that.

EMMA: The first guy I gave a blowjob to was a French exchange student. He was so sexy and even though he was arrogant I ended up falling for him.

It was at Christmas and our college had this massive end-of-term party. A load of us went round to my friend's house for a drink first and by the time I got to college I was pretty pissed.

Halfway through the night I plucked up the courage to talk to him. He was actually a lot nicer than I thought and we started snogging in one of the corridors.

I was so turned on, I dragged him into the toilets and went down on him while I sat on the loo!

Hardly the most glamorous place, but giving him head really turned me on. Then he used his fingers to make me cum.

My mates couldn't believe it when I told them. He went home a week later and sent me a few sexy emails – including a half-naked pic of himself.

FIRST TIME BUM FUN

EMMA: I had my first bum shag on Christmas Eve. I'd been seeing this manager at work on the sly for a few months and he was really adventurous in the sack.

He used to get me in all sorts of positions, then one day he told me he loved anal. I let him play with my bum using his fingers and a vibrator to see if I liked it, but I was a bit nervous to let him put his willy up there.

Then, as I was struggling to come up with a Christmas present for him, I decided giving him my brown wings would be the perfect gift.

We went to a friend's party and then back to his. He wasn't expecting it when I bent over on all fours on the bed with my bum in the air.

He just thought I wanted to do it doggy-style until I spelled it out for him.

It took a few minutes for him to get the whole length in, but we really enjoyed it.

He got moved to a different office just after the New Year and I haven't seen him since.

NATASHA: My first anal encounter happened on a trip to Spain. Me and my mate went to Barcelona for the weekend and stayed in this grubby youth hostel.

But the plus side was there was a bunch of fit Canadian blokes staying there too. They asked us to go out with them one night and we all got drunk.

My mate got off with a semi-professional ice hockey guy and I ended up with his mate, who turned out to be very kinky in the sack.

I sneaked him into my room and we started shagging on the top bunk. It felt like the bed was about to collapse, but I was too turned-on to care.

Then suddenly he flipped me over and started licking my bum hole. I must admit I felt a bit uncomfortable at first, but soon relaxed.

Before I knew it, he had his finger up there and then his willy.

Luckily for me, he wasn't so well endowed and it felt great.

FIRST TIME OUTDOORS

EMMA: The first public place I had sex was on a plane!

My fella and I were going to Ibiza on holiday – the first time we'd been away together – and I was really excited.

While we were waiting to board, he told me that he'd always wanted to join the Mile High Club.

I didn't think it was possible, but we got seats right near the back of the aircraft. We sneaked into the loo while the stewardesses were taking the food and drinks round.

It wasn't mindblowing, but the thought of getting caught really turned me on and I came within minutes. A few seconds later, my boyfriend exploded.

It was pretty tricky deciding when to come out. We got a few dodgy looks from some passengers, but we didn't care.

NATASHA: My first time in public was in the staff room with this really fit pilot. We'd been flirting with each other for ages.

Every time I walked past him he'd make a comment about my legs or bum or something, all harmless really, but it made me take notice of him.

Then one day our flight was delayed, so we had to hang about for a bit. The others all went off for a bite to eat, so we were alone in the staff room.

I sat down next to him and started rubbing his groin. He was already hard, so he whipped his willy out, pulled me on top of him, pushed my knickers to the side and started screwing me.

Luckily, there was a lock on the door so we were reasonably sure that no-one could interrupt us.

Five minutes after we'd finished, the others came back. No-one guessed that we'd just been shagging on the seats.

It was our little secret.

DANI: I WANT TO SCORE DURING FOOTY MATCH

SUNDAY Sport SUNDAY STUNNA

SEXY Dani Maye is really excited about the World Cup – as she's gagging to romp in a CHANGING ROOM.

The kinky 32E glamour babe admitted she would love to strip off and get dirty with a fella in her local team's changing rooms while the players are busy on the pitch.

Dani, 26, from Kingston-upon-Thames, said: "I really want to shag in a men's changing room at a football club.

"It would be really naughty. I'd like to have sex doggy-style while all the men are on the pitch.

"The thought of all those dirty, sweaty fellas changing in there afterwards really does it for me!"

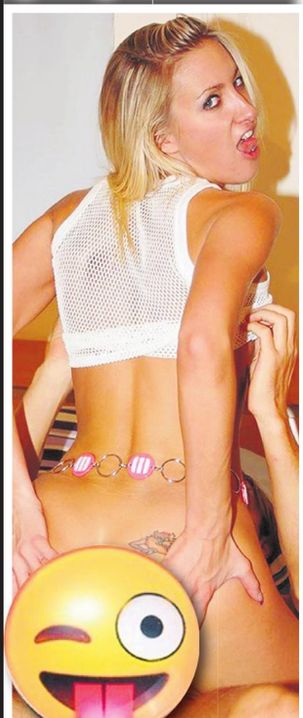
SUNDAY Sport LEGENDS OF PORN

PART 8 ANGEL LONG



By PENNY MARSHALL
news@sundaysport.co.uk

ORAL, anal, lesbian and even WATERSPORTS.

Gorgeous Angel Long is up for the lot, and she's a VERY enthusiastic performer!

The six-footer was born Sarah Elizabeth Read on November 21, 1980, in Swindon, Wilts, and was a county level swimmer before she got all-grown-up.

Angel worked as a nanny and on a construction site – mixing concrete and painting houses – before getting involved in the adult entertainment industry.

She made her first hardcore movie in 2001 and has never looked back.

Awards

And the 38-year-old blonde has won a stack of awards for her explicit performances.

She won an AVN Award for Best Group Sex Scene in a Video in 2003 and a SHAFTA Award for Best Anal Sex Scene in a Video in 2010.

She has been one of the main faces of the Adult Channel with fellow adult film starlets Laura Jones and Michelle Thorne.

Angel runs her own official website and more recently has been producing, directing, and starring in her own movies for the adult channel Television X.

A fan said: "That girl can take cock…my God, can she take cock. Wow!"

Watch these girls pop their TELEVISION X cherry!

TOP porn producers Television X are set to showcase the filthiest scenes from the TVX Cherry Pop award category from this year's SHAFTAs.

This award is for the girls who recently shot their first hardcore sex scene.

So call now and get ready to watch these deliciously dirty scenes TOMORROW evening.

And the nominees are...

Ella Bella, for her top performance in *Pascal's Breaking Bad Bitches*.

This tall and sexy MILF let Pascal truly break her in to the porn world.

He f**ks her face as she goes balls deep on his massive cock before straddling him and letting him enter her wet pussy.

She takes a hard shagging before kneeling in font of Pascal as he jerks his Johnson and sprays hot spunk in her open mouth.

And she swallows the lot!

Next up is Tindra Frost – for her luscious lesbian scene in *Dr Lacey, Sex Therapist*.

The Icelandic beauty visits Dr Lacey to discuss her curiosity with exploring her girl-on-girl fantasy.

The experienced Dr Lacey takes Tindra on an orgasmic journey of nipple biting, pussy eating and dildo drilling, as Tindra shakes with excitement and enjoys climax after climax while she learns what the touch of woman can feel like.

Bonking

Lola Marie is also up there – for her foot bonking scene in *Angel Long's Foot Addicts*.

The dark-skinned beauty teases her man with her delicate feet before some serious sucking and f**king kicks off.

She rides a massive member with her juicy arse before getting spunk all over her dainty feet.

And don't forget Misha Mayfair's pervy performance in *The Great Out-whores*, where she bumps into horny Sam while out walking in the woods.

Up for some al fresco fun, Misha gets on her knees and sucks his knob before bending over and letting the lucky lad take her doggy style.

He grabs her hips and thrusts into her dripping, pink pussy before telling her to turn around so he can shoot all over her tits.

Next up is Sexy Cleo, for her bad ass performance in *Pascal's Breaking Bad Bitches*.

The stunning MILF lets well-hung Pascal enter all her holes with his throbbing todger and she grabs her bum so we get a glorious view of her getting shafted deep and hard.

Pascal slams into her from behind in the kitchen before he grabs her hair and jerks off into her mouth and explodes over her juicy lips and pretty face.

She clearly loves the taste of his fresh jizz and has a satisfied smile all over her cum-glazed face.

Tamara Grace is also nominated, for her filthy action scenes in *Corporate Bonding*.

The tasty temptress has an amazing body and was clearly made to be a porn star.

Watch as she blows her lucky colleague with her perfectly pillow lips, before he pins her down and slams in and out of her wet pussy.

He plows into her like there's no tomorrow before she grabs his cock and strokes him until he spunks all over her toned body.

Call 0871 075 6969 now and get your eyes on all this filth!

HLEY'S NAUGHTY IICKERS SECRET

PRETTY Ashley Emma has solved the dilemma of what panties to wear in the hot weather – by going COMMANDO!

The blonde, 26, said she has an underwear ADDICTION and owns 200 pairs of panties.

By WENDY THOMAS
news@sundaysport.co.uk

And while that's all well and good, Ashley said she often ends up totally spoiled for choice!

Ashley, from Chelmsford, Essex, said: "I've always had a thing for underwear.

"You name it, I've got it – lacy, silky, rubber."

The 32B babe added: "I have so many pairs of undies to choose from, I get a bit overwhelmed at times.

"Still, in this hot weather it's best to go without any panties at all.

"So that's what I do."

Who knows the answer to that? Score more goals than the opposition, maybe? But I'm no expert.

***The Swingers* – C4, 10.05pm**

THE first episode of the second series of the Dutch drama exploring the dark side of a suburban neighbourhood.

In its native Holland, this show is called *New Neighbours* but they've pepped up the title for a foreign audience.

And yes, they ARE swingers!

Steef Blok is in jail following a confrontation at the end of the previous series, but doesn't plan on staying there.

Once he escapes, he only has two things on his mind – taking back his son and getting revenge.

***Victoria Wood: Seen on TV* – BBC4, 8.20pm**

THE late Lancashire-born comedian reflects on the highlights of her television career.

The programme features clips from shows including *As Seen on TV*, *Acorn Antiques* and *Dinnerladies*, as well as jokes and songs from her numerous other telly performances.

Friends and famous fans – including Dawn French, Julie Walters and Roger Moore – discuss her enduring appeal, and reveal what she was like to work with.

Obviously a repeat, on account of her being dead, but hilarious.

TUESDAY

***Conviction: Murder in Suburbia* – BBC2, 9pm**

PART one of two. Documentary following the investigation of an alleged miscarriage of justice, with not-for-profit organisation Inside Justice re-examining the case of Glyn Razzell, who was convicted of murdering his wife Linda in 2003.

Led by Louise Shorter, the team enlists criminal lawyers, ex-police officers and forensics experts to see if there's any new evidence to challenge the conviction.

***Scotland '78: A Love Story* – BBC1, 10.55pm**

THE story of the Scotland football team in 1978, which boasted a number of star players among its ranks, including Kenny Dalglish, Joe Jordan, Archie Gemmill, Lou Macari and Graeme Souness.

Much was expected of the team, led by manager Ally MacLeod, as they went into the FIFA World Cup in Argentina that year.

And although they ultimately faced disappointment by crashing out during the group stage, the team is ondly remembered for its performance in beating the Netherlands 3-2, when Gemmill scored a legendary goal.

DON'T MISS THIS!!!

***Mortimer & Whitehouse: Gone Fishing* – BBC2, 10pm**

CAMERAS follow old pals Paul Whitehouse and Bob Mortimer as they embark on an angling trip round the UK.

The first stop is Norfolk, and while fishing for tench, Bob tries to impress Paul with his childhood fishing rod – and fails.

They share nostalgia for their younger years and reveal how they recently came face-to-face with their own mortality, due to heart disease.

It's official. Two of Britain's funniest men are now old farts.

THE WORLD FAMOUS AGONY Page

Dear Kelly,

HOW can I stop my husband going off like a firecracker, when we're having sex? Two firm tugs on his plonker and he's nearly there, which is no fun for me.

When we were first married, about 12 years ago, we were at it all the time. And his stamina in bed was great. But now I've stopped undressing in front of him because he gets so excited.

Last week I put on a basque, stockings, suspenders and crotchless knickers and called him up to the bedroom. I could tell he was trying to control himself by the beads of sweat on his face.

He sat on the bed as I teased him but when I took out his hard manhood he blew his load in my eye. He says it could be because we only do it once a year, usually on his birthday. Could he be right?

NR, Dorset

Kelly says...
WELL, maybe if you had sex more often he would learn to control himself. Practice makes perfect.

Dear Kelly,

I WORK at a fast food restaurant and was recently left to lock up at the end of a shift.

Before heading home I made myself a thick milkshake and sat down in the break room to watch some late night TV and have a cheeky w*nk. I got so carried away that I didn't notice one of the girls from the front desk come back in.

I'd always thought she was a bit of a cow, so I was gobsmacked when she told me to carry on tugging, while she lowered her skirt and stuck her hand in her knickers. And she egged both of us on with some dirty talk – so I was soon spurting my own thick shake.

But she just pulled up her skirt and walked off. Now I'm desperate to shag this girl. What can I do?

JW, Hants

Kelly says...
TRY and catch her alone somewhere and ask her out for a meal. I bet she'd love a decent nosh!

NORTH KOREA DEBATE LED TO SEX UP THE JONG UN!

Hey babe, this week's talks between the U.S. and North Korea were a great step towards peace, weren't they?

AGONY IS BROUGHT TO YOU IN ASSOCIATION

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week KELLY McGREGOR has been reading through your letters and emails. Here's her advice...

Help! My hot lesbo lover is banging my hubby too

Dear Kelly,

I'M a 33-year-old woman with a husband AND a lover.

The trouble is, my lover is also sleeping with my hubby

Needless to say I'm bisexual, which my husband knew all about when we wed two years ago.

In the first year of marriage our sex life was great but then it began to go stale so I set out to find a lesbo lover.

I went to a gay club and was approached by a strapping blonde with huge boobs.

Finger

We got on well and we were soon kissing and cuddling in a dark corner.

As we kissed she slid her hand up my skirt and began to finger me through my panties.

Eventually she whispered that we should go back to her place.

So about 10 minutes later we were in her flat, naked on the bed, licking each other's fannies out.

Then she took a dildo from a bedside drawer and slipped it in me for a sensational session that ended with me having one hell of an orgasm.

I then brought her off with my fingers and tongue and we agreed to meet up once a week.

I told my husband all about this and he said it was fine by him.

He also confessed he'd met a nice girl who he was having sex with and went on to describe what they did together.

He revealed that she loved him to shag her doggy-style and that she also liked him to use sex toys on her.

But I was dumbstruck when he showed me a pic of her on his mobile – it was my blonde lover!

I almost told him but I bit my tongue. And when I saw her two nights later I told her the guy she was f**king was my hubby.

She didn't believe me – until I showed her our wedding photo.

Now I don't know what to do because I love them both and they care deeply about each other.

Any advice?

JG, north London

Kelly says...

IT'S time to get it all out in the open. Invite her round for dinner and you may have a fantastic threesome together, you never know.

Dear Kelly,

ISN'T it amazing how a little bit of sunshine always brings the nice women out?

The other day I went for a walk in the park and couldn't believe the number of nubile babes in short skirts. I almost messed my trousers.

One particular lady was wearing a tiny tartan skirt and knee-length boots. Now I'm a smoothie with the ladies and it wasn't long before we were kissing and cuddling and I had my tongue down her throat.

We found a quiet bit of the park, behind some bushes where she stripped and sucked my cock, before I f**ked her doggy-style.

When we'd both orgasmed she just put her knickers back on and walked off without saying a word. What do you think?

RK, Kent

Kelly says...

I HOPE you didn't leave any litter behind.

And do you really think North Korea will dismantle its nuclear arsenal? Yeah right! Wake up, dipsh*t! Honestly, Gavin, sometimes I wonder...

...why I let you bang my minge! Oh, and have you forgotten about that North Korean cyber attack on the NHS? If Trump was any ally of the UK he'd nuke the bastards!

Bexi says...

NOTHING like a stormy debate to get the libido going!

GARY BALLANCE has stood down as captain of Yorkshire.

Veteran seamer Steven Patterson has taken over.

Ballance says the pressure of leading the White Rose country was affecting his game.

He added: "Hopefully for me personally, I can go on and play some nice cricket and not worry too much about the captaincy.

"It was obviously a big decision, but I think it was best to let that go. It just felt like there was quite a lot of burden."

WORLD CUP PREVIEW — THREE BIG MA

JESUS: I'VE GOT FAITH IN BRAZIL!

I'm not guaranteed to start and that shows how just good we are

MANCHESTER City striker Gabriel Jesus admits he's feeling the pressure as his first World Cup kicks off.

By JOHN ANTHONY

But he has faith in himself and his team-mates to live up their tag as favourites in Russia.

They take on tricky opponents in Switzerland at 6.30 looking to kick off with three points.

The 20-year-old can't wait to get going but knows this is another level to anything he has faced before.

Jesus said: "In the case of the World Cup, the biggest tournament we have in football, of course it brings anxiety. But I'll try to be calm."

Although he has little experience on the big stage, there are plenty of players in the Brazil squad that do. He has been asking them to pass on their experience.

Jesus added: "Everyone talks, they all pass on their experiences and help, because it's very important.

"More than a team, we have to be a family, because we'll face a World Cup together in search of winning it.

"Our focus is to play for the group and I believe that if the group plays well, the individuals will show up."

Because of Cristiano Ronaldo's hat-trick against Spain, Jesus is on offer at a big 20-1 to score most goals at the World Cup.

He faces stiff competition to be the top hitman in his own team with Neymar and the likes of Roberto Firmino more than capable of hitting the target. But that doesn't mean Jesus won't be trying his best.

He added: ""It's difficult to cite names for the top scorer because there are many players with this possibility.

"Of course it'd be good to be the top scorer. I'm here to score goals, but my target is another.

"My focus is on helping the team in any way whether that's with goals, assists, or even with affection. I want to help and being top scorer is just a consequence."

Healthy

With Neymar guaranteed a starting spot, it looks as though Jesus is battling with Firmino for the second place partnering the PSG superstar.

He claims it's a healthy rivalry with the Liverpool forward and only shows how much quality Brazil can call on in Russia. Jesus said: "I've already been asked about this and I'll try to make it as clear as possible — to have two centre-forwards who can be starters, and also in other positions, is a benefit.

"It's healthy competition that is able to help us evolve and provide an opportunity for all.

"I want to put my name in the history of Brazil. But we have to recognise our idols, the references.

"All of them are cheering for us also to have our names guarded in history.

"I don't want to erase the name of anybody, I want to add ours to them."

★GERMANY kick off their campaign under a cloud thanks to the racist abuse being copped by another Manchester City player — Ilkay Gundogan

The midfielder is being targeted for his Turkish roots.

The latest setback saw his car vandalised and he has been a target for the boo boys in the Germans' warm-up matches.

It's a tricky start for the defending champions against a Mexico side that fancy their chances of making the knockout stage.

Unity

Gundogan is in hot water for having his picture taken with controversial Turkish president Recep Erdogan.

His car was smashed up in Cologne while he played for the national team — and was booed every time he touched the ball.

Now boss Joachim Löw is calling for unity before the big kick-off.

He is also sweating on the fitness of another player of

ATCHES IN RUSSIA TODAY

TOP TALENT: Yet Jesus is fighting for a place in the Brazil side

Turkish descent — Arsenal playmaker Mesut Ozil.

He has been nursing a knee issue that has kept him out of training.

Löw said: "All players are fit. Mesut Ozil this week completed two additional training sessions and can play.

"But I will discuss the final line-up with the team before the game. There are two, three ideas in my head for the line-up."

Today's third game is more low key with Costa Rica lining up against Serbia.

There is plenty of Premier League interest with the eastern Europeans fielding Aleksandar Mitrovic, Luka Milivojevic, Nemanja Matic and Dusan Tadic who all play in England.

A lesser known name in the side is Liverpool's Marko Grujic who helped get Cardiff promoted to the Premier League when on loan in South Wales last term.

He is looking forward to Serbia making up for lost time on the international stage.

The midfielder said: "We haven't played well during the past eight years and have missed the Euros and the World Cup, which is why people stopped believing in the national team.

Surprise

"But now I can feel that the feeling is coming back among the fans and the people of Serbia."

Costa Rica will be hoping to match their heroics from the 2014 World Cup when they got out of the groups — beating Italy and Uruguay before falling at the quarter-finals.

They were knocked out by Holland — but only on penalties and will be looking to surprise again.

I'M WELL UP FOR THE CUP

WELL, as World Cup openers go, Russia 2018 got off to a pretty decent start didn't it?

Only Germany 2006 has provided more goals in a tournament curtain raiser and whilst the Saudis didn't exactly put up much resistance, it set the tone nicely for what we hope will be an open, adventurous World Cup full of goals and incident.

The incident bit might outweigh the goals if VAR has anything to do with it though, and you just know that the first victims of the system when it has been used in a finals is bound to be England.

Tomorrow is when it really begins of course as Gareth Southgate's men take on Tunisia almost exactly 20 years since opening the tournament in France against the same opposition.

That day goals from Shearer and Scholes gave us a win but many were unable to see it live as it was played at 1pm on a Monday!

I was one of the lucky ones whose employer was as football-mad as the staff.

We've already had some controversy with Spain sacking their manager on the eve of the opener – and I'm sure he won't be the last coaching casualty over the next four weeks as the managerial merry-go-round madness now seems to have been extended to the international tournament scene.

Personally, I'm very much in the World Cup mood now and looking forward to three matches a day for the next few weeks.

I'm sure that will change after tomorrow evening's inevitable 0-0 draw.

GAFFER: Southgate

★ **The host for the 2026 tournament was revealed in fairly quiet circumstances last week.**

It's been a foregone conclusion for some time, but only the token late involvement of Morocco delayed the obvious announcement that the World Cup will be jointly hosted for the first time.

Not by two nations, but THREE – Canada, Mexico and USA.

Am I alone in thinking that giving the US two World Cups out of nine is a total piss take when England has been given just one since the thing started almost 90 years ago?

Fact Hunt

Last week I asked: Which is the only World Cup Finals where the host nation was eliminated at the first round stage?

The answer is: South Africa in 2010.

This week's World Cup Fact Hunt is: Can you name the six teams that have been unbeaten but not the champions in the same finals?

Answer next week...

SUPERSTARS: Brazil can win their group well

BRAZILIANT!

ONE of my bets of the World Cup is for Brazil to finish top of Group E and for Switzerland to come second (13/8 with Bet Victor) and the pair meet in Rostov tonight in what should be an interesting and informative game.

Let's not forget Brazil have lost their last two World Cup Finals games by an aggregate score of 10-1 (7-1 Germany in semi and 3-0 against Netherlands in the 3rd and 4th place play-off) and you wouldn't blame them for being a bit nervous ahead of their first game of the competition.

Arsenal fans will be looking forward to seeing how new signing Stephan Lichsteiner copes with Neymar with the latter 10/1 to be named the winner of the Golden Ball — Player of the Tournament. Brazil are 2/5 to win with the draw 17/5 and the Swiss 7/1.

I have been given a wide berth – well wider than usual – in the office this week following my revelation that I feel England can win the World Cup.

I am back in hospital tomorrow and my work colleagues have unfairly presumed it is for brain surgery! Oh ye of little faith!

Get on the Samba Boys for Group E

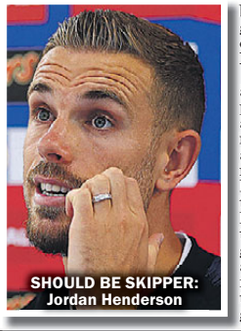
England open their World Cup in Volgograd tomorrow against Tunisia and it is 20 years since the nations last met in Marseille in France 1998 when goals from Paul Scholes and Alan Shearer gave The Three Lions a comfortable 2-0 win.

Wonder what happened to them two?

Gareth Southgate's England are 2/5 to win and 5/1 at BetVictor to win 2-0 in Volgograd and I expect Harry Kane and Co to gain a comfortable win.

Raheem Sterling is 13/10 to score at anytime and I am convinced the City attacker will come of age in Russia.

We make Harry Maguire 10/11 to start and I feel the Leicester defender will play alongside Kyle Walker and John Stones in our back three with Gary Cahill kept in reserve. Maguire can bring the ball out of defence and is a better passer of the ball than the Chelsea man who is 4/5 to be in Southgate's opening first XI.



SHOULD BE SKIPPER: Jordan Henderson

England are likely to play a more attack minded side against Tunisia and Panama than against Belgium in the final group game and it will be interesting to see who gets the nod as the holding midfielder. Jordan Henderson should be captain and I hope he gets the vote in front of Dier.

Belgium play Panama ahead of the England game and their Golden Generation have underachieved – until now. In Kevin De Bruyne and Eden Hazard the Red Devils have two potential match-winners.

Roberto Martinez will have been delighted to see Romelu Lukaku back to back to his best when scoring twice and having an assist in Belgium's final warm up game — a comfortable 4-1 win over Costa Rica — earlier in the week.

One player who I feel could light up the World Cup – albeit from the bench – is Eden Hazard's younger brother Thorgan who has had an outstanding campaign for Monchengladbach.

Belgium are 29/20 to give Panama a two-goal start and a beating with BetVictor and that must be the recommendation.

SO THREESY: Ronaldo

Hat-trick hero Ronny backs Portugeezers

CRISTIANO Ronaldo believes his hat-trick heroics against Spain can fire Portugal into the knockout stage of the World Cup.

The Real Madrid superstar sealed a point for his nation against their neighbours with a stunning free-kick in the 88th minute.

It made him the oldest player at 33 to ever score a treble in a World Cup match. He has now scored at four different finals and eight summer tournaments in a row.

The 3-3 draw against Spain puts both teams in a good position to get out of the group.

Portugal now face Morocco next while Spain will hope to beat group leaders Iran.

Victories for the two European sides will put them first and second with winnable final matches.

Ronaldo isn't taking the Moroccans lightly. He said: "We have to look to the next match now because our goal is to win.

Dimmed

"We have to take it match by match and move on through the group.

"We are not the favourites but we will do our best and try to beat Morocco on Wednesday.

"I think the team played very well and is going to do well for sure."

Ronaldo may not be the force he was and his pace has definitely dimmed.

But he can still turn it on when needed and he was pleased with his all-round effort against the Spaniards.

STAND-IN: Hierro

He added: "I am very happy, and I always believe in myself.

"It is one more hat-trick in my career but the most important thing to me is to highlight what the teams has done.

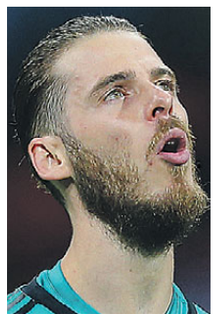
"We played against a favourite team that wants to win the World Cup and we were winning twice during the game.

"We almost made those three points and we managed to draw. We are very happy because this game was about to end and we managed to equalise.

"We have to evaluate what the team did because it was a very hard-fought game."

Man United goalie David De Gea has been backed by Spain coach Fernando Hierro after his howler gifted a goal to Ronaldo.

He said: "We don't have any doubts about De Gea and he doesn't have any doubts about himself."



BIG ERROR: De Gea

WORLD CUP ACTION: ARGENTINA 1 ICELAND 1

ARGIE BARGY AS LEO MISSES PENNO

OFF TARGET: Messi with scorer Aguero

LIONEL Messi missed a penalty as tiny Iceland held Argentina to a draw at the World Cup.

By ANDY MILLOM

Goalie Hannes Halldorsson — whose full-time job is as a film director — was the hero as he saved the Barcelona ace's second-half spot-kick.

Iceland are the smallest country to ever play in the World Cup finals with a total population of a tenth of Argentina capital Buenos Aires.

Cracker

But they refused to be bullied on the pitch and were good value for their point.

The Argies were roared on by thousands of fans at the Spartak Stadium in Moscow.

They raised the roof on 19 minutes when Manchester City striker Sergio Aguero gave them the lead.

It was a cracker too that gave the Iceland keeper no chance. But their joy was shortlived as the Scandinavians equalised within five minutes.

Argentina have plenty of talent going forward but they are creaking at the back and Alfred Finnbogason hit the target for Iceland's first ever goal at the World Cup finals.

Chelsea back-up keeper Willy Caballero palmed out Hordur Magnusson's shot to the striker, who made no mistake from close range.

It was no shock to see Iceland shut up shop after the break and Argentina couldn't get their passing game going.

They were a bit lucky to win their penalty which came after a clumsy challenge from Magnusson, who got his legs tangled with Maz Meza and brought him down.

As Messi stepped up, few in the ground expect the part-time goalie to do anything but pick the ball out of the back of the net.

But the little master's shot lacked power and was a nice height for the keeper who made no mistake in parrying the effort. The ball was scrambled away before Argentina could knock in the rebound. Messi has now missed a shocking quarter of his spot-kicks so, genius or not, if they get another one maybe Aguero should take it.

HERO: Halldorsson saves Messi's pen

Iceland coach Heimir Hallgrimsson was delighted to see his players pick up from their heroics at Euro 2016 where they knocked out England.

He said: "We played our defence brilliantly, we knew that they would have 60 or 70% possession and it is difficult to defend against that.

"But all credit for their hard work. There was nothing in their game that surprised us.

Identity

"We are bluntly honest about our ability, We know how we can win matches.

"It is just a fact that Argentina have superior individuals with superor skills and if we go one-on-one with them you don't need to ask who will win the game.

"We have to play in a special way and we have a clear identity."

DEFLECTION: Pogba

Aussies get Bleus thanks to video ref

France 2
Australia 1

FRANCE boss Didier Deschamps admits his team was lucky to edge past Australia in their first World Cup game.

Les Bleus took the lead through an Antoine Griezmann penalty that he won himself.

At first, the referee didn't give it but he changed his mind after looking at video replays.

Just a couple of minutes later, there was a penalty at the other end that didn't need VAR.

Samuel Umtiti had a rush of blood and handballed a cross.

Mile Jedniak made no mistake to equalise for the Aussies from the penalty spot.

It looked as though both sides would take a point before Paul Pogba's late deflected effort gave France the victory.

Deschamps admitted: "It was not easy, but winning the first match is very important.

"It was complicated today with a team who gave us a hard time.

"It's hard to explain everything. We missed a change of pace, a little juice.

"At the end of the match, we had a few more opportunities. It's hard for everyone, apart from the first match of the Russians against Saudi Arabia.

"We did the job. But we can do better, do a lot better."

There was some doubt about the French penalty with Aussie defender Joshua Risdon appearing to get a touch on the ball before catching Griezmann.

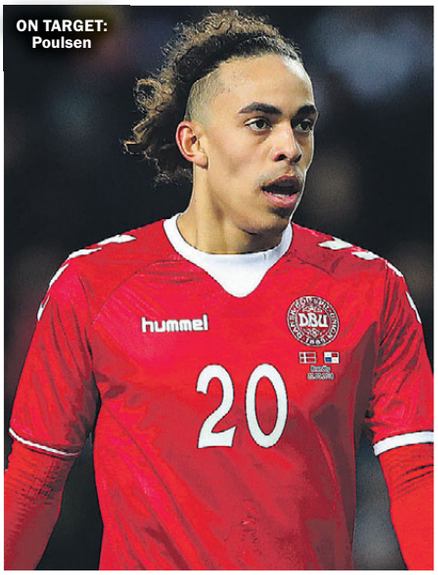
Socceroos coach Bert van Marwijk was fuming about the decision but refused to talk about it.

Instead he chose to praise his players for pushing France all the way.

He said: "Everybody is talking about the VAR but for me it's the start and we have to learn a lot about this system but I prefer to say something about the game.

"I'm proud but disappointed. I think we gave a very good performance.

"That's a big compliment for us."



ON TARGET: Poulsen

Denmark on Poul position after big win

Peru 0 Denmark 1

DENMARK hung on for a narrow win against a plucky Peru side who missed a penalty.

Yussuf Poulsen got the only goal of the match in the second half but the Danes had Kasper Schmeichel to thank for a string of excellent saves.

Christian Cueva should have put the South Americans ahead before the break but he boomed his spot kick miles over the crossbar.

Peru made the best start as Yoshimar Yotun stung Schmeichel's palms from long range with the Leicester keeper holding on well.

The South Americans brought another excellent stop from the big Dane on 12 minutes.

This time Andre Carrillo cut in sharply from the right wing before whipping in a powerful low shot that took some saving.

Denmark came into the game and Thomas Delaney fired their first real shot in anger wide just before the half-hour mark.

Peru replied quickly and it took a brilliant saving tackle from Simon Kjaer to stop Jefferson Farfan from having a clear shot.

Just before the break, VAR made its mark. Poulsen dragged down Cueva inside the box.

The referee initially waved play on before changing his mind after watching the video replay.

The Danes couldn't complain and they didn't pay because Cueva boomed his penalty miles over the crossbar.

TOP SAVES: Schmeichel

Denmark improved after the break and took the lead just shy of the hour.

The Danes broke away quickly with Christian Eriksen feeding Poulsen with a slide-rule pass. He made no mistake, drilling a low shot under Pedro Gallese.

Peru almost equalised from the kick-off. Edison Flores was open inside the Denmark box and Schemeichel did well to parry his effort.

They continued to press with Jefferson Farfan and captain Paolo Guerrero who came on as sub going close. The Peru skipper almost equalised with a cheeky backheel as time started to run out.

Denmark missed a good chance for a second when Nicolai Jorgensen had a shot blocked inside the box.

Peru went up the other end and it took another top save from Schmeichel to deny Farfan who should have scored as the Danes held on.

WORLD CUP MATCH PREVIEW

IT'S SO FAB TO KNOW TEAM

Delph: Players have been told

GARETH Southgate has already named his starting line-up for the Tunisia game.

By PAUL THOMAS

Fabian Delph revealed that he knows the the team — but refused to spill the beans on who has been picked.

England kick off their World Cup campaign against the Africans in Volgograd.

They want to start the campaign with three points against their unfancied rivals.

Most of the England team appears to pick itself but there are still a couple of shirts up for grabs. Delph himself is not expected to play but he knows who will.

The Manchester City utility man didn't look too unhappy as he said: "I do know but I have been told I cannot tell you.

"We had an idea of the team anyway.

"We have been working on different systems but the set-up is pretty clear."

Most pundits think it will be Jordan Pickford in goal, then Kyle Walker, Harry Maguire and John Stones at centre-back, although Gary Cahill could play.

In front of them, there's a choice to be made between Danny Rose and Ashley Young for left wing-back.

Doubt

The right side looks tied down to Kieren Trippier with either Jordan Henderson or Eric Dier in the anchor role.

Dele Alli looks certain to play with Jesse Lingard also likely to start.

The front two are almost certain to be Harry Kane and Raheem Sterling.

But Delph has cast some doubt on who will start. He added: "The team is not guaranteed to be the 11 players that we think it might be.

"There could be changes, but from the set-up we've done it's pretty clear to see who is probably going to be starting."

It would be a real shock if Delph has managed to break into the starting XI against the Tunisians.

But he is ready to play his part if called on. He said: ""I don't have any disappointment, ever. I'm quite a positive person. I live in the present, take each day as it comes.

"I'm absolutely delighted

ENGLAND v TUNISIA

to be in this squad with this group of young players. I'm probably one of the oldest now and hadn't been in the squad for quite a long time

"I'm excited about the challenge ahead and whenever I'm needed I'll give nothing less than 100 per cent. It might be on Monday, it might not be."

Prepared

England's training session was played behind closed doors and Delph believes it won't be an issue to keep the team a secret.

He told the media: "I don't think it'll leak out — you tried but I never leaked it! I think for certain players they would like to know, so they can get themselves prepared.

"But whether you're selected on the day of the game or the day before, I think it's all the same thing.

"As long as your mindset is clear, you know what you need to do, you understand the game plan and what your role is, you're pretty clear in what you need to do."

Delph has also laughed off talk that the England players are knackered because it never gets dark at their training base near St Petersburg.

In summer the sun never completely goes down and that's something the players are not used to.

Fortunately, thinks called curtains have been invented!

The constant daylight won't be an issue according to the Yorkshireman.

Homely

The players have their own entertainment centre and have been taking on the press at darts and bowling to while away the hours.

The atmosphere is certainly more positive and less boring than previous England camps.

Delph said: "We're sleeping fine, we've got a great team here.

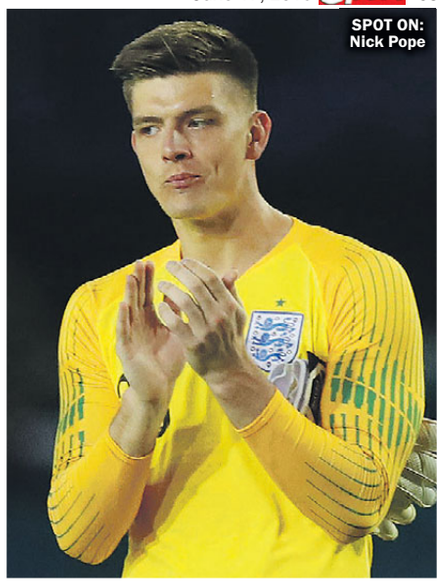
"We've got our own mattresses and our own pillows. We got used to them at St George's Park before we flew out here. It's a home from home.

"When we arrived in the hotel there were a lot of homely things that was a nice touch.

"We brought home comforts — pictures of our families, I had my Yorkshire Tea bags.

It's just like being in Yorkshire, really!

"The curtains are not bad, we're not getting much light in my bedroom."



SPOT ON: Nick Pope

Pope has got faith in Lions penno takers

ENGLAND goalkeeper Nick Pope is confident the Three Lions would win a penalty shoot-out should they need one at the World Cup.

The Burnley stopper has had a grandstand view of the players practising their spot-kicks at the training camp near St Petersburg.

Unlike some previous England squads, boss Gareth Southgate has made sure that his men are well-drilled should it come to a dreaded shoot-out.

The gaffer knows better than most about the pain of going out on pens having missed his kick in the Euro 96 semi-final against — of course — Germany who went through.

Pope has been trying to keep out the penalties in training alongside the other stoppers Jack Butland and likely No1 Jordan Pickford.

He admits that his record of keeping them out isn't the greatest.

But, on the bright side, that means the England players are doing a good job of scoring from 12 yards.

Strike

Whether they would be able to manage it when the pressure's on is hopefully something we won't have to find out over the next four weeks.

Pope said: "It's looking good — I've faced them in the practice sessions and I've not got near to saving many.

"We've all had a strike, all 23. The standard has been really high to be honest.

"It's an enjoyable thing to do at the end of training, there's always a winning team and a losing team lined up on the halfway line.

"There's always something on it."

Pope believes it's a wise move to practice and it's not preparing for failure.

He added: "Penalties are a skill, you've got to practise, it's just like you practise your passing and your other drills. That's how we see it."

Pope knows he's at the World Cup in a supporting role and doesn't expect to play in the finals.

It looks as though Pickford has edged out Butland to be Southgate's No1.

He is backing the 24-year-old to shine on the biggest stage having done well for Everton last season.

He said: "Jordan had a great season at Everton, obviously they started sticky but he was one that really shone throughout that period and carried on when the team's results picked up.

"That's a great measure of his character."

DARE TO DREAM!

RALLYING CRY: Gareth Southgate

GARETH Southgate has challenged his players to make the nation's dreams come true.

By JOHN ANTHONY

England kick off their World Cup campaign against Tunisia tomorrow night in Volgograd.

The Three Lions have not won their opening game of a tournament since the 2006 World Cup.

Now Southgate wants a positive start to propel his team on their way to glory.

He said: "Whenever you represent England or any other country there's expectation, there's hope.

"You carry the dreams of a nation, and it's impossible to say to any player you can go out and play without any feeling of pressure or any feeling or fear.

"But what you have to do is make sure that doesn't control you and that you go for it in your performances."

Southgate has told the players who will be starting against the Tunisians but he's keeping his cards close to his chest.

What isn't in doubt though is that Harry Kane will be sporting the captain's armband.

And the gaffer is looking to his skipper to lead by example.

He said: "A goalscorer is of course worth their weight in gold.

"He is a great leader in terms of his approach to everything about his profession.

"He is meticulous, is considered, he wants to be the best he can be, and he believes he can be one of the best in the world and his stats over the last few years tell us he's heading that way, so of course he is a key player for us.

"Equally, we have other stories in our camp which I think help to take the pressure away from Harry.

"Dele Alli, Raheem Sterling, Jesse Lingard, Marcus Rashford, we have Jamie Vardy who scored regularly for his club at a high level in the Premier League, so I think it's important it isn't just one story."
